Hi, I'm Johnny DC and this is CARTOON NETWORK BLOCK PARTY, the funny book where you never know what will happen. And this is the page where you readers write in and show how creative and surprising YOU are!

Dear Johnny DC,

Do you think I could draw a comic and publish it?

Sarah Brown
Fayetteville, North Carolina

Yes you can, Sarah! With a couple of sheets of paper, a pencil, and NO money at all, you can publish one copy of your own comic book (don't laugh--Great Artists have started that way)! With ten dollars, you can go to a copy shop and publish 25 copies of a small black-and-white mini-comic. Of course, a color comic like CARTOON NETWORK BLOCK PARTY costs a lot more to make. Would you like to know more about making minicomics? Write, and we'll make a special "how-to" feature!
– Johnny DC

Do you remember, in issue #3, when Ed, Edd and Eddy imagined they were superheroes? Well, you DC readers like to think up superheroes too!

Jane Miller from Las Vegas, Nevada, sent in a heroine named SHADOW. Her age is 15 and her attacks include Shadow-Blast, Shadow-Strike and Boozle-Blast. Her modes of transportation are shadows (going from shadow to shadow) and her horse, Shadow Wing.

["SHADOW" BY JANE MILLER]

["SHADOW WING" BY JANE MILLER]

Jessica Lavergne of Duson, Louisiana came up with FAUNA and writes, "She has the power of lycanthropy. That means she can turn into any animal and their half-human form!"

[DRAWING BY JESSICA LAVERGNE]

Dear DC Comics,

On the back of this letter enclosed is a comic book character I made myself. My heroine is a mutated lion. Her name is THE LIONESS. Her powers are that she can track down any villain as well as a hero. When needed, she can shoot a firebolt out of her tail.

Sabrina Michaelson, age 7
Farmington Hills, Michigan

[DRAWING BY SABRINA MICHAELSON]

Dear Johnny DC,

I get my comics from Neptune Comics. I was hoping you would print the picture Jenna, my cousin, and I made. Our character's name is RIKU. Riku's powers are: she can control water, she can turn into water, she can use telepathy, and she can swim very fast. Her hobbies are swimming, reading, drawing, and surfing.

Santanna Gamez
Waukesha, Wisconsin

Thanks for the drawings, Jane, Jessica, Sabrina, and Santanna! Keep brainstorming! Next month, we'll go back to printing letters and drawings about DEXTER'S LABORATORY, CODENAME: KIDS NEXT DOOR, and other characters from CARTOON NETWORK BLOCK PARTY!
